Notes:

1. The inbound DND is calculated at 00:00am from the next day of completion of discharge from vessel till the day of empty container return to carrier's designated facility.

2. The outbound DND is calculated at 00:00am from the next day when the empty container picked up till the day when the full container loaded onboard at CY port or delivered from the inland facility.
3. The tariff is calculated by calendar day, i.e including Saturday, Sunday & National holidays.
4. Any storage and reefer charges at port or inland facility are not included in this tariff, all these charges should be paid by customer directly.
5. Whatever CY or Door, all shipments are complied with the tariff.
6. Extra 4 calendar days free is admitted for Door shipment at origin or at destination Germany.
7. The tariff covers all lines in Germany.
8. The new tariff will take effect on August 15th, 2017 default on the date when the full container is received at POL for import and default the date when customer picks up the empty container.
